**28, Jasmine Court, Friars Hill Road, P. O. Box 1767, St. John's, Antigua, W.I.**  
**For the betting offer "EuroJackpot"**

These Terms and Conditions govern the use of the "EuroJackpot" betting services provided by Lotto Limited ([www.lotto-ltd.ag](http://www.lotto-ltd.ag)).

These Terms and Conditions were last updated on 12 May 2017.

1. EuroJackpot is a transnational lottery managed and operated by a consortium of state lottery providers ("Operator") of 16 European countries (inter alia Germany, Italy, Spain, Norway, Sweden, Denmark and Finland).
2. You may participate in EuroJackpot if you are resident of a member state of the European Union or if you stay in a member state of the European Union while you submit a bet.
3. The drawings of the winning numbers ("Drawing") take place each Friday at 9 p.m.; however, the day and time of such drawing can vary at the discretion of the Operator and LOTTO LTD is not responsible for any variation to the same. During a Drawing five out of fifty numbers (1 to 50) and additionally two out of ten numbers called "Euronumbers" are drawn. The exact time and date of the Drawings and the drawn winning numbers can be found on the official websites of the participating state lotteries, for instance at [www.eurojackpot.de](http://www.eurojackpot.de).
4. You may bet on the outcome of EuroJackpot by selecting five numbers and two Euronumbers ("line") for a specific draw. The order of the numbers on your line does not make a difference.
5. Each line that you place is fixed at € 2.00. Please see the service charges table for additional service charges.
6. You may – within the predefined or self-defined stake limits – select as many lines as you want.
7. The cut-off time for submitting lines is at the discretion of LOTTO LTD and will be clearly indicated on the website.
8. If you correctly forecast at least two of the numbers plus one Euronumber drawn in a EuroJackpot Drawing then you will win an amount of money ("prize"). Prizes are based on the official results of the winning numbers and prizes of the prize categories announced by the Operator after each draw. The official results are normally released by the Operator during the night after the Drawing. However, the timing of such announcements remains wholly at the discretion of the Operator. LOTTO LTD is not responsible for the announcement (or the timing of the announcement) of the official results.
9. Only one Prize Category can be won per line, which will be the highest of the available Prize Categories achieved by, and relevant to, that line.
10. Your line is placed with LOTTO LTD.

11. LOTTO LTD has agreed a € 100 million insurance policy with a consortium of insurance companies with a Standard & Poor's rating of A (excellent) or better. This policy indemnifies LOTTO LTD against prize pay-outs in the prize categories 1, 2 and 3. LOTTO LTD submits the lines to a server of the insurance consortium prior to each Drawing. If lines on the insurance server match with the winning numbers published by the Operator for the categories 1, 2 or 3 of this Drawing, the insurance pays out an amount enabling LOTTO LTD to fully compensate your prize entitlement. For prize entitlements of the categories 4 to 12 LOTTO LTD has accrued sufficient reserves.

a. The Winnings payable in respect of each LOTTO LTD Winning Bet in Prize Categories 1, 2 and 3 will depend on the number of Winning Tickets with the Operator in the relevant Prize Category, the number of LOTTO LTD Winning Bets in the relevant Prize Category, the payable Prize by the Operator for relevant Prize Category as well as the Jackpot.

b. Prize Category 1

The Winnings to be paid out in respect of each LOTTO LTD Winning Bet in Prize Category 1 are equal to the amount, which the Operator would have paid, if the Player had played with the Operator. LOTTO LTD will calculate this amount on the basis of the prize category 1 amount published on the Website of the Operator for Prize Category 1 of the relevant draw. If the Operator does not publish a prize category 1 amount LOTTO LTD calculates the prize on the basis of the amount of aggregate stakes published by Operator as well as the distribution to the Prize Categories taking into account the minimum jackpot of € 10 million (see table in section 12.). The total of all Winnings payable by LOTTO LTD for Prize Category 1 for a certain draw must never exceed the Euro Jackpot-Jackpot for the relevant draw and might be divided among the winners.

Example 1: There is only one LOTTO LTD Winning Bet in Prize Category 1 and no Euro Jackpot Winning Ticket has been announced by the Operator in Prize Category 1. The Winnings payable in respect of that single LOTTO LTD Winning Bet in Prize Category 1 will be calculated by LOTTO LTD on the basis of the published aggregate amounts paid in for the relevant draw announced by the Operator and its allocation to the Prize Categories taking into account the minimum jackpot of € 10 million (see table in section 12.). As a result the prize amount equals the amount a player would have won if he was the only winner with the Operator.

Example 2: There is only one LOTTO LTD Winning Bet in Prize Category 1 and only one Euro Jackpot Winning Ticket has been announced by the Operator in Prize Category 1 in respect of a Jackpot of € 60,000,000.00. The Operator pays out € 60,000,000.00 to his winners. The Winnings payable in respect of that single LOTTO LTD Winning Bet in Prize Category 1 would be € 60,000,000.00.

Example 3: There is only one LOTTO LTD Winning Bet in Prize Category 1 and three Euro Jackpot Winning Tickets Bets have been announced by the Operator in Prize Category 1 in respect of a Jackpot of € 60,000,000.00. The Operator pays out € 20,000,000.00 to each of his winners. The Winnings payable in respect of that single

Example 4: There are two LOTTO LTD Winning Bets in Prize Category 1 and one Euro Jackpot Winning Ticket has been announced by the Operator in Prize Category 1 in respect of a Jackpot of € 60,000,000.00. The Operator pays out € 60,000,000.00 to his single winner. The Winnings payable in respect of each LOTTO LTD Winning Bet in Prize Category 1 would be € 30,000,000.00.

c. Prize Category 2

The Winnings to be paid out in respect of each LOTTO LTD Winning Bet in Prize Category 2 are equal to the amount, which the Operator would have paid, if the Player had bought a Euro Jackpot Winning Ticket in Prize Category 2 instead; however not more than the theoretical expected prize amount of € 506.516,06. LOTTO LTD will calculate the prize amount on the basis of the Prizes published on the Website of the Operator for Prize Category 2 of the relevant draw of "Euro Jackpot". If the Operator does not publish a prize category 2 amount LOTTO LTD pays out the theoretical expected prize amount of € 506.516,06 (see table in section 12.).

Example 1: There is only one LOTTO LTD Winning Bet in Prize Category 2 and no Euro Jackpot Winning Ticket has been announced by the Operator in Prize Category 2. LOTTO LTD pays out the theoretical expected prize amount of € 506.516,06.

Example 3: There is only one LOTTO LTD Winning Bet in Prize Category 2 and two Euro Jackpot Winning Tickets Bets have been announced by the Operator in Prize Category 2 with a pay-out of € 200,000.00 each. d. Prize Category 3

The Winnings to be paid out in respect of each LOTTO LTD Winning Bet in Prize Category 3 are equal to the amount, which the Operator would have paid, if the Player had bought a Euro Jackpot Winning Ticket in Prize Category 3 instead; however not more than the theoretical expected prize amount of € 102.154,50. LOTTO LTD will calculate the prize amount on the basis of the Prizes published on the Website of the Operator for Prize Category 3 of the relevant draw of "Euro Jackpot". If the Operator does not publish a prize category 3 amount LOTTO LTD pays out the theoretical expected prize amount of € 102.154,50.

Example 1: There is only one LOTTO LTD Winning Bet in Prize Category 3 and no Euro Jackpot Winning Ticket has been announced by the Operator in Prize Category 3. LOTTO LTD will pay out the theoretical expected prize amount of € 102.154,50.
